	<b>I am a flexible thinker!</b>
	<b>Flexible thinkers make their brain move around a problem and think of different solutions.</b>
	<b>If I feel disappointed or sad I can use words and say "oh well" or "maybe next time."</b>
	<b>If I feel frustrated or mad I can ask for help or ask to take a break. A flexible thinker uses words to help solve their problem.</b>
	<b>If I don't win the game, flexible thinkers say "that was fun!" or "Let's play again sometime!"</b>
	<b>My parents and teachers will be happy when I am a flexible thinker and solve my problems using words! I will be happy too!</b>
