

Phonemic Awareness Activities For 6-7 Year Olds

Whole Word (*from part to whole*)

Parent gives child one syllable word to blend, one sound at a time.

Parent: "B...i...g". What's the word?"

Child: "big"

Parent: "S...t...o...p". What's the word?"

Child: "stop"

Helpful Hint: A great time to accomplish this task is in your car. You can read street signs and other print that you may come across.

Whole Word (*from whole to part/phonetic spelling awareness*)

Parent says entire word: "Big"

Child says each individual sound: "B...i...g"
