

Kindergarten

S STATESTICS OF AMERICA

In kindergarten, the students begin to understand the foundations of the social studies—cultural history, geography, government, and economics. Students begin their introduction to United States history through the study of important American holidays and symbols. Basic concepts of cultural and physical geography are presented. Civics provides students with an introduction to rules and character traits of good citizens. Basic economic concepts are also introduced.

Milestone Expectations:

SSKG01 The student will identify the purpose of national holidays and describe the people or events celebrated.

- a. Labor Day
- b. Columbus Day (Christopher Columbus)
