

EXERCISES

Look at the 16 pictures arranged horizontally or vertically and write the correct numbers under the pictures.

The grid contains 16 drawings, each with a square and a dot. The dot's position and the line's position vary across the grid. Some drawings include a curved arrow indicating a rotation.

Write the numbers from the last picture.

Image	Number	The position of	Image
	1	the position of	
	2	the position of	
	3	the position of	
	4	the position of
