

It is living,
It is living,
I know why!
I know why!

It breathes and grows and changes,
It breathes and grows and changes,
It's alive!
It's alive!

It's non living,
It's non living,
I know why!
I know why!

It stays the same forever,
It stays the same forever,
It can't change!
It can't change!
