## Maps: North America - Mexico

### Learn vocabulary

Use a map to find the answers to the following questions

What country borders Mexico to the north?

\_\_\_\_\_

What two countries border Mexico to the south?

\_\_\_\_\_

\_\_\_\_\_

What ocean lies to the west of Mexico?

\_\_\_\_\_

What Gulf separates the Gulf Peninsula from northern Mexico?

\_\_\_\_\_

What is the capital city of Mexico?

\_\_\_\_\_

Name two more cities in Mexico.

\_\_\_\_\_

\_\_\_\_\_

What two separate parts of the United States form Mexico?

\_\_\_\_\_

What bay is located west of the Yucatan Peninsula?

\_\_\_\_\_

On the back of the sheet, draw a rough map of Mexico. Label the capital and at least two other cities, and any other major features you wish to highlight. Add an inset map of Mexico and labels.
