# HEART NUMBER PATTERNS (1)

Some numbers in the number pattern are missing. On each heart, write the missing number. Then use words to describe how you knew what the missing number was.

1. 2      4      6            10      12      14

---

---

2. 0            6      9      12      15      

---

---

3. 2      3      4      5      6            

---

---

4.       10      15      20      25      30      

---

---

5. 7      8      9            11      12      

---

---
