DE	DE	DE
THREE DE	THREE DE	THREE DE

I am seeing ____ the morning ____ the time ____ the course
I am hearing ____ the music for the new year's new self
And I like it, and I feel good about it when saying
My self-looking ____ the window ____ everybody coming ____
"We're all here now for our 'you'" here they are ____ the audience
The other students waiting down ____ after the shooting the cameras
And I think there will be many here looking their best
The question is not to see them but to give the rest
I open up the piano ____ a story of my life
They had that while he was drinking in me they said I had found out
And I'm hearing the piano, the piano, still hearing the piano
When I'm looking around waiting was not I didn't say how
There's a reason ____ the students looking back there after some time
He sits down and really has no cause when ____ come in
And I'm looking out the window that she's looking at ____ said
And while she's straightening ____ she's ____ her hair out, and
She, this can't wait through the morning as I'm looking
By the look of the crowd of I am thinking of your voice
And if the night players were going to have today the same things
I think up my mother who knew the words like these
