

## State Contracting Manual, Volume 3 Contents Overview

This document provides a detailed list of what information is contained in State Contracting Manual (SCM), Volume 3 (Vol. 3), chapters without having to open each chapter. No page numbers are provided, however, the chapter number (with the exception of the Chapter Introduction, which is the letter I), section letter and/or topic number and item number are provided.

Examples:

- 3.A1.1 (3 is the chapter number, A is the section letter, 1 is the topic number and 1 is the item number)
- 4.B2.2 (4 is the chapter number, B is the section letter, 2 is the topic number and 2 is the item number)

The SCM Vol. 3 consists of a chapter introduction and eight chapters. Each chapter has a table of contents unique to the individual chapter. (Note: This document was created using Word.
