Vehicle Diagram - Use for Damage Location

Inspection is not a warranty. It is a service that provides information about the condition of a vehicle at the time of inspection. It does not guarantee the future performance, reliability, or safety of the vehicle. The inspection is only a snapshot in time and does not cover all possible issues. The inspector is not responsible for any damage to the vehicle or any other property during the inspection process.

Inspected By: _____ Professional License No. _____

Date: _____ Inspection and Assessment Report No. _____

#7295 (Form #AVW)
