

Commutative Property Dominoes

Directions: (1) Pick up a Domino (2) Multiply the 2 numbers (3) Make the commutative property (4) Make an array or groups for both problems

<p>Domino 1 Dom</p> <p>$3 \times 2 = 6$</p> 	<p>Commutative Property</p> <p>$2 \times 3 = 6$</p> 
<p>Domino 1 Dom</p> <p><input type="text"/></p>	<p>Commutative Property</p> <p><input type="text"/></p>
<p>Domino 1 Dom</p> <p><input type="text"/></p>	<p>Commutative Property</p> <p><input type="text"/></p>
<p>Domino 1 Dom</p> <p><input type="text"/></p>	<p>Commutative Property</p> <p><input type="text"/></p>
