

# My family is great!

My family is big and I'm 12 years old. I live with my parents and my two brothers. This is my family tree. There are four members in the family. My parents are Tom, my dad, and Betty, my mum. They are very nice. My dad is 45 years old and my two brothers are 18 and 15. My only granddad lives in his lovely house and he likes walking with his mother. My mother is a judge. She is 42 years old and she works in a hospital. There is never a problem she makes it right. But she likes to become the best helping people. They get me when the time is not and she is 45 years old. She goes to the gym twice a day, but I don't see her very much. I like my grandparents too. My grandfather is 75 and his grandmother is 72. My 45-year-old, my parents is the best age for my grandpa. They don't go to work. They are the best. My mother lives in a big city. My mother's brother is Peter. He's 34 years old and he is married to Lisa. He is a manager of a big company and he works a lot of hours. He doesn't go to work. She is a housewife and is 38 years old. They've got two kids, my little sister. They're very young. My name is Mike. My family is great!
