

Family Chores

Write out Adam's and Sally's family chores.

My name is Adam. I live with my family in a house. I have two sisters and one brother. There are many chores with our parents. My mother and I take the garbage out.

My father's car twice a week. Every Friday, I and my brother waters the plants. I also go to school every morning. My sister, Emily, sweeps the floor and washes the dishes after dinner. She goes to shopping every Thursday. My mother washes our clothes. My father fixes some of the things in the house.

Hi my name is Sally. My father, my mother, my sister and I. We live in a flat in a tall building. I have many family with the chores. I help my mother with the housework.

I set the table for dinner while mom and dad. When my parents go shopping for food and I go to school. My sister Joanna and help her with homework. I help my mother with the house things in the house. My mother cooks dinner every day. I sweep the floor every night. When Mom goes to work I bring water for them.

Write (A) next to Adam's chores, (S) next to Sally's chores, and (A/S) next to chores that both do.
