Narrative Essay**

A narrative essay tells a story.

Below, answer the following questions, fill in the statements to help you get started writing your narrative essay.

1) Decide what point of view you'll be writing from (which character are you writing the story as?).

2) What kind of tone do you think this character would talk/write in?

3) Outline the events that occur in your narrative. Identify the places where your character or others involved had to make a decision of some kind:
