

Expanded Notation

When you write a number using expanded notation (expanded form), you are giving a value to each digit.

When you write a number in word form you are putting the number into words.

Let's see how the number 365 looks in standard form, expanded form, and word form.

365 (standard form)

three hundred sixty-five (word form)

$300+60+5$ (expanded form)

Write each number in word form and in expanded form.
