

Name \_\_\_\_\_ Week \_\_\_\_\_

As you read, consider the major takeaways for answers to the following questions. Underline questions that apply to various systems. From the text, select and list your answers and evidence.

1. What percent of those 170,000 immigrants were women?
2. What happened that was new for immigrants at Dillingham College?
3. What source did Chery give when he told about the immigrants' work for children at Dillingham, including agreements about prostitution?
4. How did you find the book during the trip at Dillingham? What evidence did you bring from the work?
5. How do you explain the credit record of the work?
6. What happened with the trip of the work?
7. Explain the first part of the process. How did you find the material they are developing? Why do you believe that?
8. What happened after the first part of the trip? How did you find the material they are developing? How did you find the material they are developing? Why do you believe that?
