

Writing Postcards

Example:

I have a great holiday in July. I will go to England, camp in London, do English work, I will have a lot of fun.

I will go camping and sleep in a tent. During the day I will study English, English grammar, English. I will have new friends.

My new friends and I will have fun. We will go swimming and fishing in the park. We will have a lot of games. My friends want to know, so I will tell them every day.

I will go to England every year. What will you do this summer?
Thank you.

John
