

50 things I love...

This activity sheet contains 50 distinct shapes and patterns arranged in a grid-like fashion. The shapes include:

- Rectangles of various sizes and orientations.
- Squares, some with internal lines.
- Circles and ovals.
- Triangles, including a large one with a lightning bolt.
- Stars, including a large five-pointed star with a scalloped border.
- Hexagons and octagons.
- Cloud-like shapes.
- Diagonal lines.
- Shapes with dashed borders for cutting.
- Shapes with solid borders for coloring.
