

Find your way through the sound maze to find the treasure!

game	chase	date
black	natural	name
have	can	behave
hate	stage	snake
face	man	sad
tape	age	take
passenger	hand	save
apple	jam	lake

The maze is a 3x8 grid of words. The words are arranged in three columns. The first column contains: game, black, have, hate, face, tape, passenger, apple. The second column contains: chase, natural, can, stage, man, age, hand, jam. The third column contains: date, name, behave, snake, sad, take, save, lake. An arrow points down from the pirate character to the first cell (game). An arrow points down from the last cell (lake) to the treasure chest.
