

Sample Lessons and Worksheets

Preview a Few Worksheets Here

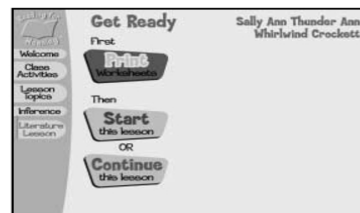

This teacher's guide includes a sample of the lessons and worksheets that you can print in *Reading for Meaning*. The following pages contain a sampling of worksheets from the Modeling lessons, Literature lessons, and the Lesson Plan Library.

Print All Worksheets from the Software

The complete set of worksheets for *Reading for Meaning* is printable from within the software.

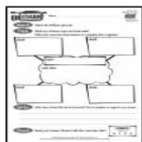

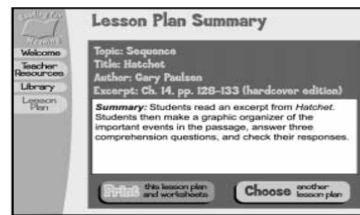

To print worksheets for a complete lesson:

1. From the Welcome screen, click Class Activities.
2. Click Whole Class Lessons.
3. Choose a topic: Main Idea, Inference, Sequence, Cause & Effect, or Compare & Contrast. A list of lessons for that topic appears.
4. Choose a lesson.
5. From the Get Ready screen, click Print Worksheets.
6. To print worksheets for a different lesson, follow steps 3–5 above.

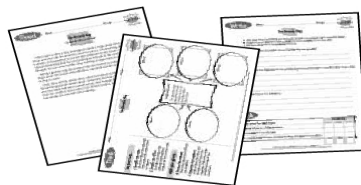

To print worksheets for an additional lesson plan:

1. From the Welcome screen, click Teacher Resources.
2. Click Lesson Plan Library.
3. Select a lesson plan, then click Okay.
4. Click Print This Lesson Plan and Worksheets.
5. To print worksheets for a different lesson plan, click Choose Another Lesson Plan.
