# Tall Elves

Use the candy cane ruler to measure the elves. Write the answers.

The worksheet features four cartoon elves of different heights and styles. Each elf has a line pointing to a candy cane with the label "candy canes".

- Elf 1 (tallest): A girl with a very tall, pointed, striped hat. Line points to a candy cane.
- Elf 2: A boy with a tall, pointed, striped hat. Line points to a candy cane.
- Elf 3 (shortest): A girl with a small, pointed hat with a heart. Line points to a candy cane.
- Elf 4: A girl with a tall, pointed hat that has a pom-pom and a small candy cane on top. Line points to a candy cane.

To the right of the elves is a vertical ruler consisting of six candy canes stacked on top of each other, separated by dashed lines. A vertical dashed line runs to the left of this ruler.
