

What evidence can you give that politicians are corruptly using their power to further
 themselves? Give at least two separate illustrations with detail.

What special deals has it done for businesses?	What laws have been passed?	What money & land has it bought?	What has it done with the environment?
What has it done for education? Healthcare? Social services?	What laws have been passed?	What money has it spent?	What has it done for the environment?
