

## A Lesson in Following Directions

Name \_\_\_\_\_

Read this page to the bottom before beginning. Then follow directions *very carefully* and turn your paper over.

1. Write your first and last name on the line at the top.
2. Color the vowels in this sentence with a red crayon.
3. Underline the word "read" in the directions with a blue crayon.
4. Highlight sentence #12 with a yellow crayon.
5. Draw a square in the top left corner of the paper.
6. Circle all the nouns in sentence #13.
7. Underline the consonants in this sentence with a green crayon.
8. Draw a red triangle around all the odd numbers on the page.
9. Color the word "the" green every time you see it in sentence #5.
10. Draw five smiles at the end of this sentence.
11. Circle all the even numbers on the page with a blue crayon.
12. Color the second smile at the end of sentence #10 yellow.
13. The boy ran quickly to catch his dog before she ran into the street.
14. Draw a square around the verbs in sentence #13.
15. **Do sentence #1 only.** Turn over your paper and draw quietly until given further directions by the teacher. 😊😊😊😊😊
