

Story Map

The story map is designed as a house. The roof is a triangle containing a heart icon and the word "Title". The main body of the house is a rectangle divided into six sections by lines. The sections are labeled as follows:

- Characters**: Located in the top-left corner.
- Problem**: Located in the top-middle section.
- Setting**: Located in the top-right corner.
- Solution**: Located in the bottom-left corner.
- Events (in order)**: Located in the bottom-middle section, which is the largest and is outlined with a slightly irregular border.
- Ending**: Located in the bottom-right corner.

A chimney with a fire is drawn on the right side of the roof. The entire drawing is decorated with hearts and swirls. A watermark "Teacher's Notebook" is visible across the middle of the page.
