

# Space Math Worksheet

## Space Alien Subtraction

Name \_\_\_\_\_

A cartoon space alien with large eyes and a wide mouth is holding a large whiteboard. On the whiteboard, there are three subtraction problems using stars as visual aids. The first problem shows three solid black stars minus one hollow white star equals two. The second problem shows seven solid black stars minus two hollow white stars equals five. The third problem shows ten solid black stars minus four hollow white stars equals six.

3 stars - 1 star = 2

7 stars - 2 stars = 5

10 stars - 4 stars = 6
