

The Magic School Bus Likes the Wind
by Anne Gersen, Illustrated by Gordon Squires

How to use: Fold and glue the book together. If your child needs help, assist in completing the activity sheets.

Wind Makes Things Move

The wind makes many things move. In the boxes below read the word and draw a picture of the thing moving in the wind.

Directions:
Turn to page 10 in the book, looking at the picture. My worksheet. Then use information that you see to do the activity. Write the word below in the box and draw a picture of the thing moving in the wind.

Box for drawing: **Leaf**

Box for drawing: **Windmill**

Box for drawing: **Sailboat**

Look around your home or yard for things that move in the wind. Look at the book again to see things that move in the wind. Fill in these boxes with things you choose.
