

Preamble Scramble

The US Constitution sets the foundations for the United States Government. The Preamble (introduction) gives the (6) reasons/goals why the writers wanted to form such a government.

Ben tripped and dropped the Preamble before he could set it in the printing press. Help Ben reassemble the Preamble.

this Constitution of the United States. and secure the Blessings of Liberty We, the people do ordain and establish of the United States provide for the common defense, in Order to form insure domestic Tranquility, a more perfect Union, of America to ourselves and our posterity, promote the general Welfare, establish Justice
