

Name: _____ Section: _____ Date: _____

As you read the story, write each main event in SEQUENTIAL ORDER.

Place one event in each box.

The form is a graphic organizer for sequencing events. It consists of two vertical columns of six rectangular boxes each. Each box contains a downward-pointing arrow. A central vertical line with upward-pointing arrows connects the two columns. A curved arrow at the top points from the right column to the left column, and a curved arrow at the bottom points from the left column to the right column, indicating a sequential flow between the two columns.
