

Marking time

Read this text and then answer the questions below.

Text A: The Part-time Time-traveller

You may find this hard to believe, but I once built a time machine. It was made from scrap, which I collected when I visited the local recycling center on weekends.

First of all, I found some old bicycle parts, including a real leather saddle, which you don't often see nowadays.

A week later, I picked up a huge electric clock, which I had seen years ago in the bus station (before clocks went digital).

Meanwhile, I had a real stroke of luck

All the words in bold type are doing a similar job. Explain what it is here.

Now read this text.

Text B: The Part-time Time-traveller

George used to visit the local recycling center on weekends. He was always sifting through the scrap for old bicycle parts and other interesting things. His neighbors thought that he was a bit strange.

One weekend, he was seen struggling home with a horribly heavy old clock that some said had come from the bus station ten years previously.

These things turned really peculiar

Both the texts above tell the same story but in different ways. Explain the difference between text A and text B.
