

Chef

A chef is a professional cook who is able to prepare, cook and present a lot of different kinds of foods. They can work in restaurants, hotels, hospitals, and in homes.

They usually lead other kitchen staff, including cooks, food preparation and all cooking activities.

The word "chef" is borrowed from the French word chef de cuisine, which means the head of the kitchen.

A Chef needs:

If you were a chef what would you cook? _____

What would you need? _____
