

OW

The exercises on this sheet are mainly about the spelling 'ow' as a word ending.

A. All the answers to the clues end in **ow**.

1. Colour of the sun
2. Underneath
3. Opposite of *wide*
4. Not fast
5. Part of the body
6. Not deep water
7. Take books or videos from a library
8. Walk behind someone

					O	W
					O	W
					O	W
					O	W
					O	W
					O	W
					O	W
					O	W

B. The word 'stow' meant 'place' in Old English. Some towns or villages have this word as part of their name - usually at the end, but sometimes at the beginning.

1. How many place names can you think of with the word 'stow' in them ?
2. Use a road atlas to find more.

C. What do these words and phrases mean ?

below the belt **go with the flow** **swallow your pride**
throw in the towel **blow-out** **window of opportunity**

- D.** 1. How many words can you make by adding one or two letters to the beginning of 'ow' ?
2. When you have made your list of words, try adding endings from the box to make even more words.

-er	-ing	-est	-ed	-y	-ly
-----	------	------	-----	----	-----

E. Write a short piece with one of these titles, using some of the words given.

1. **The countryside in Autumn**
2. **Winter in the city**

swallow willow mow crow sow sorrow hollow
grow marrow know tomorrow snow row blow
