

Name _____

CCSS 1.L.1.b Use common, proper, and possessive nouns.

Possessive Nouns/Showing Ownership

A possessive noun shows who or what something belongs to. Singular nouns are made possessive by adding 's.

Example: *The book that belongs to Laci* is on the table. → *Laci's book* is on the table.

Example: *The tail of the dog* is wagging. → *The dog's tail* is wagging.

⇒ Directions: Rewrite each sentence with a possessive noun to show ownership.

1. The handle bars that belong to the bike are rusty.

2. The coat that belongs to Chloe has a rip in it.

3. The nest that belongs to the bird fell from the tree.

4. The truck that belongs to my dad is red.

5. Have you seen the pencil that belongs to Dalton?

6. The fur of the cat was yellow and brown.

7. The friend of my sister came over to play.

8. Where is the purse that belongs Mrs. Starkey?
