

Name _____

Circle resources
Identifying uses for resources

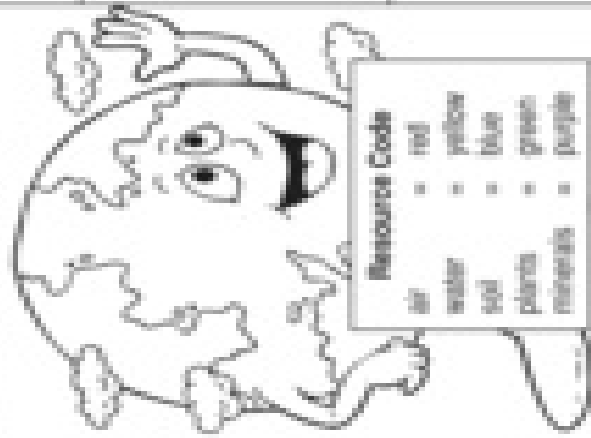

Hey, We All Use Natural Resources!

Read each task.

Think about which resource is needed
to make each task possible.

Then use the code to color each .

If the task is something you have ever
done, draw and color a picture of
yourself completing the task.

Remember: Read the list of resources in the
code code. Write another way people use each
resource.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Breathe.	Eat fruit.	Wash hands.
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
