

Worksheet Name: _____

Similes

Simile is similar (almost the same).

Similes are used to describe things. For example: (C)

"That is **fat** like a **balloon**!"

- "That **girl** is **fat**."
- "There is **ground** the **same** as a **balloon**."
- "No, there is **very** **fat**."

How to write a simile:

"The **cat** is **fat** like a **balloon**." **fat** **balloon**

(C)

- "I am **fat** like a **balloon**."
- "There is **ground** like **balloon**."

"The **cat** is **fat** like a **balloon**." **fat** **balloon**

(C)

- "I am **fat** like a **balloon**."
- "There is **ground** like **balloon**."
- "The **cat** is **fat** like a **balloon**."
