Baby Budget
How much does a newborn cost?

This activity will help you to figure out the cost of a baby in the first year. Enter how much of each item you will need and total it up. Add the total costs of all items to determine the cost of all items for the baby's entire first year. (Remember that you are buying for 1 year!)

Items Needed	QTY	Price Each	Total Cost
FEEDING BABY			
Breast Feeding Pumps (if breast feeding)		\$24.99	
Nursing pads (if breast feeding)-usually 3-4 per day		\$.59	
Nursing bras (if breast feeding)		\$14.00	
Pacifiers		\$1.59	
Pacifier Holders		\$1.79	
Cans of formula (around 31 per month)		\$3.89	
Packages of baby wipes (around 2 per month)		\$2.97	
4 oz. bottles		\$1.09
