

Healthy VS Unhealthy

Match the following names with the correct picture.

The worksheet contains a central column of ten vertical bars, each with a small circle at the top. To the left and right of this central column are two columns of ten line drawings each. The drawings depict various activities and objects: a person running, a person jumping rope, a person playing tennis, a person playing basketball, a person playing soccer, a person playing badminton, a person playing table tennis, a person playing chess, a person playing cards, and a person playing a board game. The drawings are arranged in two columns of five, with the central column of bars acting as a separator between them.
