Examples of Worksheets for the Elective “Learning English through Social Issues”

(Please refer to the example of the 50 period scheme of work)

Worksheet 1 Defining social issues

As you will be presenting the new TV series to explore social issues, it is important that you understand what social issues are. Are the following issues or social issues? Please tick the appropriate boxes.

	Issues	Social Issues
Eating snacks and unhealthy food		
Obesity and health problems		
Spending money on buying drugs		
Addiction to drugs		
How to get along with classmates well		
Bullying on school campus		
Wasting water and energy		
Global warming		
Pollution		

Identify the differences between issues and social issue as well as the major features of social issues? Discuss in groups.
