Mountain Climbers

Mountain Climbers

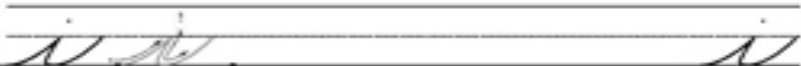

About half of all lowercase cursive letters are Mountain Climbers.
You have to climb uphill to begin!

Follow the path
with your finger.

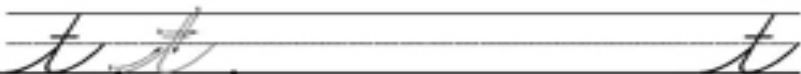

Trace and Write

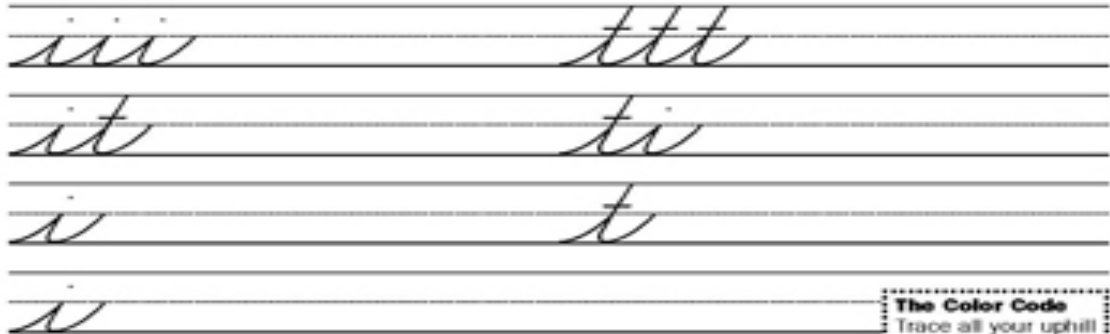

Climb up halfway,
then slide down.
Dot your **i**,
with something round.

Climb uphill,
close to the top.
Slide back down,
but don't you stop.
You're not quite done,
as you can see,
till you put a line,
across your **t**!

Connect It!

The Color Code

Trace all your uphill
curves green.
