

# Spreading Kindness

Trace the words in the hearts. Write the number to the word or the color key. Use that number to color a part of the picture. If you red and it's not available to color, just leave it over. (This idea works with a partner.)

## COLOR KEY:

- 1 - you (pink)
- 2 - the (purple)
- 3 - was (green)
- 4 - like (gray)
- 5 - can (red)
- 6 - and (brown)
