

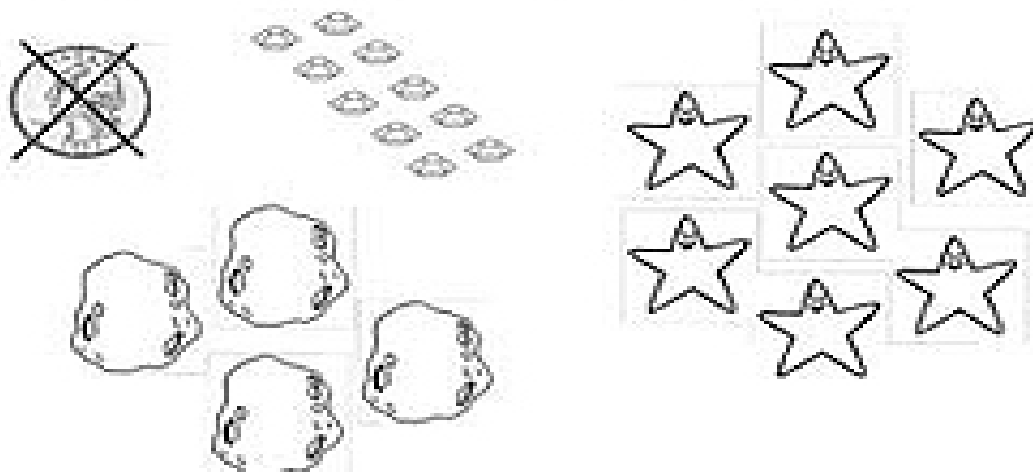

GRAPH IT

"We collected all kinds of stuff from those nasty Pesters. Let's make a chart of these objects."

On the chart below, color in a box for each jewel you count. Put an X over the jewel after you color a box. Color in boxes in the graph for the other objects you see.

Asteroids										
Stars										
Jewels										
Coins										
	1	2	3	4	5	6	7	8	9	10

How many?

Coins _____

Jewels _____

Asteroids _____

Stars _____
