## Time for Change

Mr. and Mrs. Beach and their three children, Sandy, Windy, and Sunny, are spending their summer vacation at Resort Town. Who will end up with the most change after shopping for trinkets and souvenirs?

Solve each problem below. Write the amount of change each family member receives on the line and in the corresponding sand bucket. Then total the change in each bucket to see who has the most.

1. Sandy bought a seashell set for \$0.87. She gave the clerk \$1.00. Sandy's change: \_\_\_\_\_
2. Windy gave the clerk \$5.00 when she bought a beach bag for \$4.18. Windy's change: \_\_\_\_\_
3. Sunny bought a CD titled *The Sounds of Potato Chips and Other Plastic Foods*, priced at \$5.88. She gave the clerk \$6.00. Sunny's change: \_\_\_\_\_
4. Mr. Beach bought a volleyball for \$8.79. He paid for it with a ten-dollar bill. Mr. Beach's change: \_\_\_\_\_
5. Mrs. Beach bought a straw hat covered with plastic fruit for \$8.55. She gave the clerk \$10.00. Mrs. Beach's change: \_\_\_\_\_
6. Windy couldn't resist buying a shark sweatband for \$1.71. She gave the clerk \$2.00. Windy's change: \_\_\_\_\_
7. Sunny borrowed \$15.00 from her dad so she could buy a seashell skirt for \$13.58. Sunny's change: \_\_\_\_\_
8. Sandy certainly surprised her sisters when she bought a plastic pink flamingo to hang from her bedroom light. She paid only \$0.29 for it! She gave the clerk \$1.00. Sandy's change: \_\_\_\_\_
9. Mrs. Beach fell in love with a purse made from seagull feathers. It was hers for only \$7.14. She paid for it with a five-dollar bill and 3 one-dollar bills. Mrs. Beach's change: \_\_\_\_\_
10. Mr. Beach decided to buy a special treat for his family. He bought a box of salt-water taffy for \$2.08. He gave the clerk \$3.00. Mr. Beach's change: \_\_\_\_\_

**Bonus Box:** Which of the Beach family members spent the most money during the shopping spree?
