

Pilgrim, Pilgrim Where's Your Hat?

Have the children stand in a circle. Choose one child to be the pilgrim and stand in the middle. Blindfold the child. Let the other children in the circle pass the hat to each other chanting:

Pilgrim, pilgrim where's your hat?
We've passed it around the circle
Now you try to get it back.

The children stop passing the hat when the chant is completed. The child who has the hat hides it behind his back. The pilgrim tries to guess who has the hat.
