How to draw Pocahontas

Start with a stick figure with all the joints.

oval

One shoulder is lower.

One leg is in front of the other.

Use stick figure for the hands.

The foot is at the center of balance.

Heel
Ball
Curve

Go around the stick figure to build it up.

Use ovals

Keep the hands simple

Curve

Go around the feet to make moccasians.

Use guidelines.

Keep the face simple.

Do the Hair last.

Long Hair!

straight

A split in the skirt lets her run and hunt.

keep a spot blank in the Hair for shine.
