

It's Random Acts of Kindness Week!

Use this activity sheet to celebrate with your child!

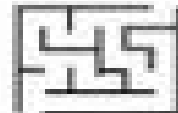

Encourage your child to write real photos (no stock images please) and messages (how random-act-ing?) like a letter to get along. You may be lucky and find real ones there. Every kind act will be added to the Kindness Counter - helping to reach our goal of 1 million kind acts!

See the impact of your child's kind acts on KindnessCounts.com.
