Reading Comprehension

Dany's Guitar

Dany's favorite hobby is playing guitar. He spends a lot of his free time playing guitar. He started learning to play guitar when he was 5 years old. He played in his school's band.

Dany's dad bought him a guitar and he started practicing every day after school. It was very loud, but his mother never complained. He improved a lot, and playing guitar has been his favorite hobby ever since.

- 1) What is Dany's favorite hobby?

- 2) When did Dany start to play guitar?

- 3) Who bought Dany a guitar?

- 4) What is the title of the story?

- 5) Where did Dany perform guitar?
