

## Career Evaluation Worksheet

Question	Yes	No
1. Are you satisfied with your survey results for career choices?		
2. Do you think you found enough information about your career?		
3. Do you like the type of tasks that your career will require you to do?		
4. Do you feel that there will be enough job opportunities for you when you are ready to begin your career?		
5. Are there opportunities for advancement in your chosen career path?		
6. Do you think you will be happy with the potential salary you will make in the future?		
7. If needed, are you willing to relocate to obtain a job in your career field?		
8. Do you feel your chosen career will allow you to have enough leisure time for yourself?		
9. Were you surprised by any other information you found on your career choice?		
10. Was this exercise helpful in defining your career objectives?		
<b>Totals</b>		

In the yes column, if you score:

- 0 to 6** - talk with your teacher to re-evaluate your chosen career path
- 7 to 10** - go on to path 5
