My school is doing a lot of fun Christmas activities this year. Yesterday, our whole class made a lovely _____ out of red and white burlap. I am going to give it to my mom to hang on our door. I also made some _____ out of colored paper and glue. I am going to send these to the mail to all of my family. I also am learning the words to my favorite _____ songs. It is a good song that my friends and I like to sing really loudly. I also wrote a letter to _____ . My teacher is going to help me send it to the North Pole. I only asked for one _____ and that was a new pair of skates. I really enjoy getting ready for the holidays.

Holidays with My Family

My family loves holidays! My mom usually takes a few days off of work to spend with my and my sister. Every year she takes us to the store to see the window displays. These window displays show all sorts of different scenes about the holidays. I love to see Santa and all of the other _____ . I also like to see Santa's helpers, the _____ . They are so busy making lots of _____ for all the girls and boys. After we see the window displays, we go and buy a new green _____ . Whenever we get home this time we put on the _____ hat. Then, we put on the sparkling _____ that have little snowflakes on them. I have to be careful with these, because they are easy to break. Last of all, I help mom make some _____ . I will leave these out on Christmas night for Santa.
