

Name _____

At a Museum

The children listed below all went to a museum on Saturday. They all arrived at different times and saw different exhibits first. Use the clues to find out who arrived when and what they each saw first. Make an X in a square when it cannot be an answer. Draw a circle when it is a correct answer. Hint: When you draw a circle in a square, you can make an X in all of the other squares in that row and column.
