

## FOOD FRACTIONS

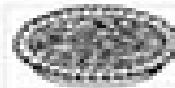

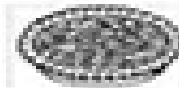

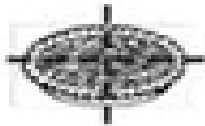

"I just found out that more Shape Shifters are coming to our class party than I planned. I need your help to divide the food."

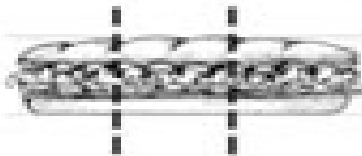

Draw a line to cut these Plutonian hamburgers in half ( $\frac{1}{2}$ ).

Draw a line to cut these pies so each guest can have one-fourth ( $\frac{1}{4}$ ).

Cut each Blaster sandwich so each guest can have one-third ( $\frac{1}{3}$ ).

Circle the cups that are half ( $\frac{1}{2}$ ) full.
