

Name \_\_\_\_\_ Magnets attract steel and iron.

## What Can Mag-E Pick Up?

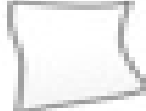

What can a magnet pick up?  
Collect these things:

cork

paper

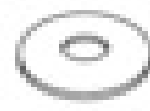

foil

coin

button

washer

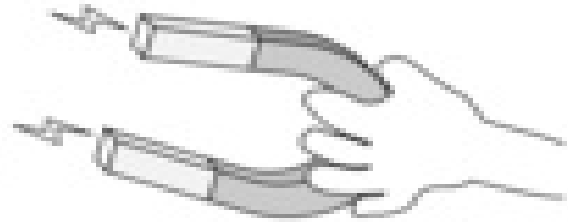

nail

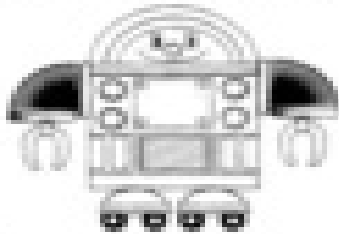

paper clip

bottle cap

Try to pick up each thing with the magnet.

Mag-E says,

"Draw and write about  
the things that a magnet  
can pick up!"

A magnet can pick up
